Kids Summer Camp

This year's summer camp will feature the martial art of Aikido (including both empty-hand and weapons practice) along with Painting, Calligraphy and Origami -- in a fun atmosphere with caring, expert instructors.

Through safe martial arts practice, children will increase their confidence, flexibility and fitness, while learning self-defense, self-discipline and conflict resolution. Our environment supports social interaction, sportsmanship and camaraderie.

Your child's creativity and imagination will be encouraged to flourish through a series of daily art lessons.

Each child will receive individual attention from over five instructors and many assistants. All supplies will be provided for the children, including a *Dogi* (training uniform), art supplies, and healthy snacks.

At the end of the camp every child will receive a Redlands Aikikai T-Shirt and a Certificate of Participation.
